EVERY BELIEVER HAS A FORMER WAY OF LIFE THAT GOD INTERRUPTS

"But when God..."

2

TRANSFORMATION BEGINS WITH GOD'S INITIATIVE AND PURPOSE

God set him apart
God called him by grace
God revealed Christ to him

- An invasion that changes our center
- An invitation that gives our life purpose
- A gift that redefines our identity

3

**THERE WILL BE MOMENTS YOU WILL
NEED TO BE ALONE**

- The Gospel's authority is from God, not man

**Transformation that lasts is not herd thinking-
it is God surrendered thinking.**

- Spiritual growth requires solitude with God

4

**Transformation that lasts
is not religious self-effort,
but life-altering grace
from God.**
